

HOW TO GET INVOLVED:

WHAT IS MISSOURI GOOD NEIGHBOR WEEK?

Missouri Good Neighbor Week starts September 28th, National Good Neighbor Day, and goes until October 4th. It is dedicated to spreading acts of neighborly kindness, right where you live.

WHO PARTICIPATES?

The acts of kindness are done by individual neighbors, reaching to the people living closest to them. A good rule thumb is to focus on the 8 doors closest to you. Organizations participate by getting the word out, sponsoring prizes for Engaged Neighbor Awards, and hosting events.

WHAT CAN INDIVIDUALS DO TO BE INVOLVED?

1. **Do something neighborly.** Write a note, give a gift, write positive messages on your sidewalks, or make an effort to meet someone new. For a list of ideas go to missourigoodneighborweek.com.
2. **Register your Act of Neighboring.** Help us reach the goal of 10,000 Acts of Neighboring around Missouri. Register at missourigoodneighborweek.com.
3. **Nominate an Engaged Neighbor.** Every nominee will receive a small gift. Statewide and county awards will be given to neighbors who embody what an Engaged Neighbor looks like around Missouri. Submit nominations at missourigoodneighborweek.com.
4. **Share.** Help others get involved. Go to missourigoodneighborweek.com to find promotional materials.
