

HELLO, NEIGHBOR,

National Good Neighbor Day is on September 28 and you're invited to celebrate with us!

Join people across the United States who are "starting with hello." Consider celebrating by:

- Sitting in front of your house and greeting those you see.
- Using sidewalk chalk to decorate your neighborhood with greetings.
- Sharing something you love with your neighbors—chocolate, cookies, flowers, etc.

We hope you join the movement. You

can learn more about how to celebrate at

hopefulneighborhood.org.
